**A Photography Contest**

**“Celebrating Women”**

*How do we celebrate the female spirit?*

Display of finalists will be concurrent with CAST’s production of  
 “The Vagina Monologues” during the month of  
 July of 2007 at the Columbia Center for the Arts.

*“The Vagina Monologues are part of a crusade to wipe out the shame and embarrassment that many women still associate with their bodies or their sexuality. They are both a celebration of women’s sexuality and a condemnation of its violation.”*
